Terms and conditions

- By enabling Foreign Inward Remittances on the UPI platform, you confirm that you can receive funds in your Kotak Bank account from foreign locations via the UPI platform managed by NPCI (National Payment Corporation of India).
- For validation purposes, we will share your details, i.e. name and account number, in case a sender inputs your UPI ID for sending funds to you from a foreign location to India.
- These details will be shared with International Remittance Partner (IRP). However, the sender can only see your name in a partially masked format. Please note that if you don't wish to share your details, you cannot receive funds through this platform.

Consent Management

Dear Customer, for enabling Foreign Inward Remittances on UPI platform, it is required to provide your consent. For validation purpose, details such as Name and account number will be shared, in case sender inputs your UPI ID for sending funds to you. These details will be shared with International Remittances Partner (IRP), however, the sender will only be able to see your name in partly masked format. Please note that if you don't wish to share your details, you will not be able to receive funds through this platform.

☐ I, hereby, consent to share my personal information with IRPs to receive international transactions.
