Supt. of Post Office,
Radio Divn., GADAG - 582101

Gadag Division

As per DOP1 OMI dated 17.05.2022 Para 13.1: While filling up the reserved vacancies by promotion by selection, those PwBD candidates who are within the normal zone of consideration, shall be considered for promotion. However, if adequate number of PwBD candidates of respective category are not available within the normal zone, the zone of consideration may be extended to five times the number of vacancies and the PwBD candidates falling within the extended zone may be considered for promotion. In the event of non-availability of candidates even in the extended zone, the vacancy shall not be filled and be carried forward to the subsequent year, if a PwBD of the required category is not available, the reservation can be exchanged with the other category, so that the post can be filled by a person with other category of disability, if possible. If a PwBD candidate of other category is within the zone of consideration, and within the number of vacancy available, he cannot be denied promotion on the grounds of disability. If it is not possible to fill up the post by reservation even in the 2nd year, the post may be filled by a person other than PwBD, and the reservation shall be carried forward for two subsequent recruitment years, whereafter it shall lapse. Hence the vacancy earmarked for PH Category for the vacancy year 2016-17 has been filled by a person other than PwBD.

Supdt. of Post Offices.

As per DOPT OM dated 17.05.2022 Para 13.1: While filling up the reserved vacancies by promotion by selection, those PwBD candidates who are within the normal zone of consideration, shall be considered for promotion. However, if adequate number of PwBD candidates of respective category are not available within the normal zone, the zone of consideration may be extended to five times the number of vacancies and the PwBD candidates falling within the extended zone may be considered for promotion. In the event of non-availability of candidates even in the extended zone, the vacancy shall not be filled and be carried forward to the subsequent year. If a PwBD of the required category is not available, the reservation can be exchanged with the other category, so that the post can be filled by a person with other category of disability, if possible. If a PwBD candidate of other category is within the zone of consideration, and within the number of vacancy available, he cannot be denied promotion on the grounds of disability. If it is not possible to fill up the post by reservation even in the 2nd year, the post may be filled by a person other than PwBD, and the reservation shall be carried forward for two subsequent recruitment years, whereafter it shall lapse. Hence the vacancy earmarked for PH Category for the vacancy year 2016-17 has been filled by a person other than PwBD.
